

REVOCATION OF PREVIOUS POWERS,  
POWER OF ATTORNEY BY ASSIGNEE, AND  
DECLARATION PURSUANT TO 37 C.F.R. §3.73(b)

As an officer of Wellogix, Inc. ("Assignee"), pursuant to 37 CFR §3.73(b), I hereby certify that to the best of my knowledge and belief Assignee is the assignee of the entire right, title and interest in and to the referenced patent applications listed on the attached Exhibit A, and I represent that I am a representative authorized and empowered to sign on behalf of the Assignee.

I have reviewed each assignment document that evidences the placement of title in the Assignee, true and accurate copies which are attached hereto, and I understand and believe that each assignment document will be or has been submitted for recordation in the U.S. Patent and Trademark Office.

Assignee hereby revokes all prior powers of attorney granted in the patent applications identified in Exhibit A, and appoints on its behalf the patent attorneys identified with Dorsey & Whitney LLP, Customer No. 20686 to prosecute the patent applications identified in Exhibit A and to transact all business in the United States Patent and Trademark Office connected therewith.

Pursuant to 37 C.F.R. § 3.71, Assignee hereby states that prosecution of the above-referenced patent application is to be conducted to the exclusion of the inventor(s).

Send all correspondence relating to this matter to:

WHEREAS, **WELLOGIX, INC.**, a corporation organized and existing under the laws of the State of Delaware, and having its principal place of business at 1160 Dairy Ashford, Suite 400, Houston, Texas 77079 (the "Assignee"), desires to acquire the entire right, title, and interest of Assignor in and to the invention, the Provisional Application, and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does sell, assign, and transfer to the Assignee, its successors, legal representatives, and assigns, the entire right, title and interest in and to the invention, the Provisional Application, and all nonprovisional, divisional, continuation, continuation-in-part, continuing prosecution, and reissue applications; the Letters Patent, both foreign and domestic, that may or shall issue, or may or shall have issued, therefrom; any extensions or renewals thereof; and any right, title, or interest in and to the invention under any international conventions (collectively "the Patent Rights"); and the Assignor hereby authorizes and requests transfer of the Provisional Application, and any further applications, which may be or shall have been filed under the Patent Rights, to the Assignee in accordance herewith.

Assignor further authorizes said Assignee, its successors, and assigns, or anyone it may properly designate, to apply for Letters Patent in the U.S. and any and all foreign countries, in its own name if desired, and additionally to claim priority to the filing date of the Provisional Application and otherwise take advantage of the provisions of any international conventions.

Assignor hereby authorizes Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the application number and filing date of the Provisional Application once known.

Assignor further covenants and agrees that this Assignment is effective as of October 1, 1999.

Assignor represents and warrants that Assignor has the right, title, and authority to execute this Assignment and to convey all right, title, and interest in the Patent Rights, and that Assignor has not conveyed nor will convey hereafter all or part of the Patent Rights to a third party; and Assignor hereby covenants and agrees with the Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these

representations, and that Assignor, Assignor's successors, legal representatives, or administrators will at any time upon request, without further or additional consideration, but at the expense of the Assignee, its successors, and assigns, execute such additional writings and do such additional acts as said Assignee, its successors, and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for, obtaining, and enforcing any of the Patent Rights, including giving testimony in any proceedings or transactions involving such Patent Rights.

ASSIGNMENT

WHEREAS, I, Jeffery A. Livesay, of  
1619 LAKESHORE WAY, HOUSTON, TX, 77077  
have invented certain new and useful improvements in a **PROCESS AND SYSTEM FOR MATCHING BUYERS AND SELLERS FOR GOODS AND SERVICES**, for which I am making application for Letters Patent of the United States, said application being identified by Docket No. 4969.02 in the law firm of Dorsey & Whitney, 370 Seventeenth Street, Suite 4400, Denver, Colorado 80202, and which is executed concurrently herewith, and

Whereas, Wellogix Inc., a corporation organized and existing under the laws of the State of Delaware, and having its principal offices at 12092 Wickchester, Suite 330, Houston, Texas 77079 USA (the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged from the Assignee, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, my entire right, title and interest in and to said invention, said application, all divisions, continuations, continuations-in-part, reissues, or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents including all of my rights under the International Convention (collectively "the Patent Rights"), and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

I further authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

I represent and warrant that I have the right and authority to execute this Assignment and to convey all my right, title, and interest in the Patent Rights, and that I have not conveyed nor will convey hereafter all or part of the Patent Rights therein to a third party, and I do hereby covenant and agree with the said Assignee, its successors and assigns, that I will not execute in writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, I have hereunto set my hand and affixed my seal this 26<sup>TH</sup> of SEPTEMBER 2000.
